

CITY OF LODI

COUNCIL COMMUNICATION

AGENDA TITLE: Reallocation of Welder-Mechanic position to Heavy Equipment Mechanic

MEETING DATE: March 20, 1991

PREPARED BY: Personnel Director

RECOMMENDED ACTION: Approve the reallocation of one Welder-Mechanic position to Heavy Equipment Mechanic.

BACKGROUND INFORMATION: Currently, there are two Welder-Mechanic positions in the Building and Equipment Maintenance Division of the Public Works Department. At present one is vacant. The Welder-Mechanic classification requires skill in both equipment maintenance and welding. The Heavy Equipment Mechanic requires experience in equipment maintenance. Both are compensated at the same rate of pay.

It is very difficult to recruit applicants who possess the dual required skills for the Welder-Mechanic classification. There also is currently not a sufficient workload for two Welder-Mechanic's. The department's need is for a Heavy Equipment Mechanic. It is recommended that the City Council reallocate one position of Welder-Mechanic to Heavy Equipment Mechanic.

FUNDING: None required.
